Cork Harbour Open Day 2010

'Call for Events'

Cork Harbour Open Day will take place on Saturday 4th September 2010. Aimed at embracing what Cork Harbour has to offer, the Cork Harbour Open Day aims to raise awareness of the different activities available for people in the harbour both on and off the water.

Cork Harbour is the second largest natural harbour in the world, next to Sydney Harbour, offering beautiful locations for enjoying the outdoors, dramatic coastlines, and excellent leisure facilities and is home to some very talented artists, sportsmen and women, and people who are passionate about the history, heritage and cultural value of Cork Harbour.

To get involved in Cork Harbour Open Day or to organise an event on the day, please visit www.corkharbour.ie or contact Sara Dymond at harbourevents@corkharbour.ie or 021-4625375.

The idea for a Harbour Open Day emerged from discussions between various stakeholders involved in the development and implementation of the Integrated Strategy for the Harbour. A group comprising representatives from UCC, City and County Councils and the Port of Cork set about working together to engage users of the Harbour and to organise the Open Day.
